

## **Alumni Feedback Analysis Report 2023-24**

### **Government Degree College, Budaun, Uttar Pradesh**

Feedback of the Alumni is an essential component for analysis and improvement in the higher education academic culture. Once out of the formal structure, the Alumni can objectively talk about the challenges faced by them vis-à-vis the curriculum with special reference to its utility in the job market. The feedback forms have been designed with the help of Google forms and shared with the alumni through social media groups. We have designed a special feedback form on curriculum development. We are collecting feedback from Alumni on Course Content, Teaching Learning Process, Curriculum /Syllabus / Evaluation process, Library/ Sports/others, and Administration. It is the tradition of the college to involve alumni in its activities. We believe that alumni feedback is an important source of information for betterment and development of the institution. We started collecting curriculum feedback from Academic Year 2023-24.
